# where to find the information you need

Teknion provides an array of tools and information resources to help you get things done simply and easily. From product pricing to application guidelines to online planning suggestions, you will find what you need when you need it.

The following is a directory of available resources:

## Product Pricing

**Web Pricing** access to all up-to-date pricing, as well as partially updated and complete Price Guides in PDF format can be found at [www.teknion.com/products/default.asp](http://www.teknion.com/products/default.asp) and selecting the **pricing** tab.

**Printed Price Guides** by product line containing product maps, detailed pricing tables and product basics information are available to help you specify correctly. These guides can be ordered online through the **order literature** link at [tekknion.com](http://www.teknion.com) or by contacting your local Teknion Representative.

### Xpress

The Xpress symbol is displayed in the Price Guide beside products that are offered in Teknion's Xpress Program. A printed Xpress Guide can be ordered online through the **order literature** link at [tekknion.com](http://www.teknion.com) or by contacting your local Teknion Representative.

**Web Access** to the online Xpress Guide can be found at [www.teknion.com/products/default.asp](http://www.teknion.com/products/default.asp).

 **Please review the online guides for the most up-to-date information prior to placing your order.**

## Construction Notes

**Web Access:** Construction Notes for all chairs can be found by selecting the **additional information** link at [tekknion.com](http://www.teknion.com) on specific product pages within the pricing sections.

## User Instructions

**Web Access** to User Instructions for all chairs can be found by selecting the **additional information** link at [tekknion.com](http://www.teknion.com) on specific product pages within the pricing sections.

## Measurements

**Web Access** to all metric and imperial measurements can be found by selecting the **additional information** link at [tekknion.com](http://www.teknion.com) on specific product pages within the pricing sections.

All source measurements are in metric units. These measurements are converted to imperial units and rounded to the nearest 1/4 of an inch.

## Fabrics & Finishes

Teknion's fabrics and finishes offering includes the following programs; Standard Fabrics & Finishes, Graded-In Panel Fabrics and Seating Fabrics & Finishes.

**Web Access** is available by selecting the **Fabrics & Finishes** link at [tekknion.com](http://www.teknion.com) within each product line home page.

Printed Fabrics & Finishes guides can be ordered online through the **order literature** link at [tekknion.com](http://www.teknion.com) or by contacting your local Teknion Representative.

## Product Photos & Drawings

**Web Access** to all photos, line drawings and renderings are available by selecting the **Photo Bank** link at [tekknion.com](http://www.teknion.com).

Image CDs are also available upon request. Contact your Teknion Customer Service Representative.

## Order Forms

All forms, from COM Forms to Key Charts.

**Web Access** is available by selecting the **additional information** link at [tekknion.com](http://www.teknion.com) on specific product pages within the pricing sections.

## Warranty/Terms & Conditions of Sale

**Web Access** is available by selecting the **legal** link found on the top navigating bar at [tekknion.com](http://www.teknion.com).

## User Feedback

How is our marketing material working for you?

Feedback from the user is very important to the quality of Teknion's marketing material. We ask that if you have suggestions on how you think we could improve content OR if you have found an error, that you please email us at [pricebookchanges@tekknion.com](mailto:pricebookchanges@tekknion.com).

## guide contents

This guide contains all the information you need to order this product manually or through your specification software. The Introduction section provides everything you need to get started and the subsequent sections provide detailed pricing and specification information by product type. Each of these sections contains overview pages to explain feature information and specification guidelines that will help you specify the product correctly. The detailed pricing pages follow.

## additional information

The following forms are available at [www.tekniion.com/products](http://www.tekniion.com/products) to help you specify and place your order if required:

<b>Teknipaint</b>	If you require a custom paint color match you must submit a TekniPaint form.
<b>Using your Own Material (COM)</b>	<p>If you wish to use your own material on fabric-covered products, you must submit a completed TekniPlate form including a sample upholstery and safety testing.</p> <p>A COM Order Information Sheet must also be submitted. This form captures all relevant ordering and tracking information.</p> <p>A COM Request for Yardage Calculation form may be sent to Tekniion for preliminary yardage requirements.</p>
<b>Summarizing Coordinating Tag Areas</b>	Summarize any coordinating groupings on to a Tag Worksheet. There are spaces on the form to describe all common features and finish options for specific tag areas or an entire order. A tag area can be as small as a worksurface and as big as an entire floor.
<b>Placing a Manual Order</b>	Complete an Order Cover Sheet with the information we need to fill your order. This is the most important step. If the Order Cover Sheet is not complete and correct, the order may be delayed.
